Dear Valued SGI Customer,

This system is the *SGI Media Server™ for Production and Broadcast - DVCPRO*. Please note the following:

SGI
1600 Amphitheatre Pkwy.
Mountain View, CA
94043-1351
Tel 650.960.1980

- **Do not** attempt to upgrade any software or hardware components of this server. Doing so will void all warranties.
- The hostname is `mediaserver_dvc`. **Do not** change it.
- The user's guide is installed on the media server in the following location:

`mediaserver_dvc.domain/usr/vtr/books/mediaserver_dvc.pdf`

To access it, you can use `ftp[1]` from a client machine and view it using a free Adobe® Acrobat® reader available at `www.adobe.com`. You can also access the guide from the SGI Technical Publications Library at `techpubs.sgi.com`.

If you have any questions, please contact SGI support at 1-800-800-4744.

Regards,

Your SGI Media Server Support Team
